JOINT MOTION TO EXTEND TIME TO PROVIDE TRIAL AVAILABILITY

The Court directed the parties on March 10, 2020 to provide trial availability in this matter. The Court's order predates orders from public health officials to limit travel, non-essential business, and other activities and also the Court limiting certain operations, all due to the coronavirus outbreak. Given these conditions, the parties believe that additional time would aid the parties and potentially the Court in assessing future scheduling and availability. Therefore the parties jointly request that they have until May 1, 2020 to provide possible trial availability.

Respectfully submitted,
